It's a Treat
WITH THE
Toe Jam Puppet Band

An interactive variety show for kids and their grown-ups

Super fabulous kids' music that grown-ups enjoy too! Big kids Tom and Vinny bring smiles, giggles and dance to little ones with their unique combo of original and interactive songs and stories.

Toe Jam's performances are very active. Kids and adults will want to sing and dance along with the band as they entertain with a unique blend of original songs, masterful shadow puppetry, storytelling, activities, corn ball humor and just plain ol' good fun.
